

Here's How it Works:

1. Take as many of these brochures as you like.
2. Write your name and address, on the coupon (so you can get credit for the referral).
3. Give brochures to your friends and family members. Let them know what you think about Planned Parenthood services!
4. When a new patient comes to one of our clinics because of your referral, **turns in a completed referral coupon**, and spends more than \$20 or more on that first visit, **you and your friend** will receive credit for your choice of:
 - a) 10 free premium male condoms;
 - b) 1 free package of birth control pills;
 - c) 2 free female condoms; or
 - d) \$5 off you visit or purchase.

There is no limit to the number of freebies you can earn!
5. Returned coupons will be noted in your medical record so you can receive your freebies on your next visit.

This offer is valid at any Planned Parenthood of Central Oklahoma clinic location:
